## TANGENT DAB2GO JUNIOR

### Modern Danish Design

The brand new DAB2go Junior is the baby brother in the Tangent 2go series. However it's no baby in terms of performance and function, as behind the modern Scandinavian design with its durable finish and attractive state-of-the-art fabric, DAB2go Junior features all the latest audio and portable radio technology you'll ever need.

### A Digital radio and Bluetooth speaker

The new DAB2go Junior can receive your favourite radio stations from both FM analogue and Digital DAB and new DAB + platforms. It's also equipped with Bluetooth technology so you can stream your own music wirelessly from a smartphone, tablet and other devices.

### Music on the go

Just insert four AA batteries into your Tangent DAB2go Junior to enjoy quality sound from the radio or Bluetooth device anywhere in and around, or away from home.
